Address:

St. Helens

Price:

Check with seller

Experienced in building, maintaining and repairing computers, networks and small appliances.

Setup, maintenance, recovery, repair, virus removal, backup and networking.

From replacing laptop screens to full computer builds and much more!

I can come to your location (Columbia county only, additional fees beyond 20 miles).

I have nearly 20 years experience in this field as well as a B.S. and can help with any task no matter how large or small.

Call for reasonable rates and availability.
