An original oil on canvas painting of Church Street Extension in Weaverville, NC. In 2002 I was walking around Weaverville on the 4th of July and snapped a photo of this barn and field. I love Weaverville and it's my hometown so I wanted to capture this summer scene on canvas. It's very unique because later a house was built right in front of the field and this view no longer exists!! I still love this painting but I need to sell it to help finance a trip with my mom in May.

This painting is 42" x 60" and was completed in March 2003.
